

**A NOTE FROM RENEE NAIL,
SCWN EXECUTIVE
DIRECTOR**

THE LEGACY OF G.R.A.C.E.

As Easter approaches, many things occurred to me. As we ponder the wonder of it all, we realize that from eternity to eternity, God had you and me in mind. Salvation through Jesus is laid out from Genesis to Revelation. Why? Because He loves us, because He loves us, because He loves us. And for no other reason! All because of His Amazing Grace!

Think of that! **G**od's **R**iches **A**t **C**hrist's **E**xpense! Jesus' relentless pursuit of us cost Him everything. Yet, His grace and love are free to anyone who believes on His name.

His ministry began at 30 years of age and ended at 33. Through a mock trial, Jesus was tried, convicted, and sentenced to death. Forced to carry His own cross, He endured the shame of being executed outside the city He loved so much. As He breathed His last, He cried out "It is finished". On Easter Sunday, we will celebrate His triumph over death, His resurrection, His purpose in coming to earth to redeem His people. It is indeed - finished.

How do we respond to such love and grace? As Isaac Watts so beautifully wrote in 1707, "Love so amazing so divine, demands my soul my life my all". Psalm 145:2-3a says it best - "Every day I will praise you and extol your name for ever and ever. Great is the Lord and most worthy of praise..."

Like Mary Magdalene, the first to tell of the risen Savior, let us go and tell of His amazing grace and love, Let us praise His name forever. Christ is risen! He is risen indeed!

Hallelujah!

Leadership Nugget: WAGON WHEEL RUTS

RUTS...

When the West was being settled, most roads consisted only of wagon tracks. These tough roads were very hard to navigate, particularly because wagons would often get stuck in the wheel ruts that had been created by other wagons. Getting out of those deep ruts could be extremely difficult.

One wagon trail had a sign that read: *Caution! Avoid this rut or you will be in it for the next 25 miles.*

Most of us would admit we have been stuck in a rut at some point in our lives.

Think about your daily routines. Keep the ones that are positive for you and others. Discard the "ruts" that are life-draining. It's never too late to start developing healthy habits at home and work...and avoiding the ruts.
