

**A NOTE FROM RENEE NAIL,
SCWN EXECUTIVE
DIRECTOR**

Last month, Scenic City Women's Network (SCWN) celebrated 25 years of ministry at the annual Praise Breakfast. The Founders shared the story of the beginning of the ministry and how everything was bathed in prayer. Today, SCWN stands on this strong foundation. Prayer remains the backbone of the organization. This legacy of prayer goes before us in everything we do.

This month, we ask your prayers for Scenic City Women's Network. As we assess the services and programs of SCWN with a look toward the future, we ask that you join us in prayer.

Scripture tells us in Matthew 7:7, **Ask and it will be given you, Seek and ye shall find, Knock and the door will be opened.** As we pray for you - the ladies we serve, we covet your prayers and your input about how we can improve and expand services to you.

In the next week or 2, you will receive a survey in your email from Laura McCann with Venture Forward who will be the SCWN facilitator as we pray and consider where the Lord will lead us over the next few years. We ask that you prayerfully answer the survey. It will be a way for you to let us know how we are doing and how SCWN can have a greater impact in helping Chattanooga's working women live out faith in the workplace.

Your prayers are mighty and the Lord is our strength. Proverbs 16:3 says this:

Commit your work to the Lord, and your plans will be established.

This is the Lord's ministry. We are His stewards to carry forth His mission.

Grateful for you -

Renee

LEADERSHIP MOMENT: The Parrot

A young man moved away from his rural hometown and went out to search for a better life. He became rather successful. His parents, however, still had the same house in the country. And despite his continued offers of financial assistance, they declined his gestures and continued living just as he was brought up.

So on his mom's birthday, he went extravagant and bought her a \$2,000 parrot with a vocabulary of thousands of words, could speak in numerous languages, and could sing operatic arias.

The next day, he phoned her and asked, "What do you think of the bird, Mom?"

"What did I think?" she answered surprisingly. "We thought he was pretty good. Maybe I just overcooked him a bit."

Sometimes, even our greatest efforts to communicate with others can go under-noticed or ignored. Don't be discouraged when others don't notice your efforts of appreciation or support. Do it anyway!
